Fail-Safe Upgrade Policy

your à la carte contract payments can be applied, in most cases, with certain restrictions, toward an upgrade to one of our collections: The Eight/Ten/Twelve/Epic. When the upgrade occurs prior to the wedding, the assistant photographer can usually be added, but you can upgrade up to 30 days after the wedding.

What is the advantage of à la carte?

Contracting with our à la carte option allows the securing of your wedding date with Russell Caron as your photographer at the lowest possible up-front cost. You buy just what you want, when you want it. It allows the use of wedding gift money to be applied to your photography by purchasing portions later on. And, with the fail-safe upgrade policy, you can upgrade to a collection up to 30 days after the wedding and enjoy the bundle pricing our collections offer.

Just list Russell Caron Photography, 207.233.4050 on your list of gift registry vendors for both your shower and for your wedding gifts..
