

A bride and groom are captured in a romantic moment, kissing on a weathered wooden dock. The bride is wearing a long, flowing white lace wedding gown with a long veil, and the groom is in a light grey suit. They are standing on the dock, which has a small white boat tied to it. In the background, there is a body of water with several boats and a distant shoreline under a soft, overcast sky. A bouquet of white and blue flowers lies on the dock in the foreground.

Simply perfect wedding photography.

2023-2024

“ Sure, there are a lot of really good wedding photographers out there. So hard to choose. Except for this:

What makes **caron&co** stand out is their exquisite pre-planning. Pre-planning for all the parts of the day that lead up to the ceremony and reception. All those details no one else would be worried about were it not for them.

Our wedding day went flawlessly, and I was so relaxed because of the Timeline Russ shared with us to tweak and approve.

All that and we recently learned that Russ is one of only 30 people in the world to hold the Master Wedding Photographer degree*!

Oh, and our wedding photos are amazing and are already the most cherished thing from our wedding. ”
