

A full-page photograph of a wedding couple walking on a sandy beach. The groom is on the left, wearing a black tuxedo with a white shirt and a black bow tie. He has glasses and a boutonniere on his lapel. The bride is on the right, wearing a white, form-fitting wedding dress with a long train and a large white fur stole draped over her shoulders. She is holding a bouquet of white flowers. They are both smiling and looking towards the camera. The background shows the ocean and a blue sky with scattered white clouds.

simply **THE BEST** wedding photography

2024-2025

Let's have **FUN** working together!

PHOTOGRAPHY

A wedding photographer who's actually earned their credentials.

In a world where going to the mall and coming home with a camera kit is all it takes, technically speaking, to call one's self a "photographer", or scarier yet, a "wedding photographer", Russ' combined experience of over 20 years in the wedding industry and his earning of several photography degrees and countless professional awards means more to you than meets the eye.

It means you're working with a true professional who's earned the right to be honored with the privilege of having you as clients on the most special of days. A day where trust in the people you've hired means everything. A professional who knows photography in-and-out, but even more importantly, knows all the intricacies of weddings, and is someone you'll love working with.

In 2021, Russ was honored to become one of just 16 people in the world with the Professional Photographers of America's *Master of Wedding Photography* degree, a title still to this day held by fewer than 30 people. This in addition to his Master Photographer and Craftsman Photographer degrees, being a Certified Professional Photographer, and a Certified Drone Photographer.

The best thing, these vitally important credentials don't come at any added cost to you.

Lastly, weddings aren't just something "else" we do at caron&co photography; it's virtually the only thing we do; full-time and year-round.
